PAUL WEYNAND GARAGE  
AGENT FOR MEDINA COUNTY.

TEACHERS MEET AT COURT HOUSE.

Teachers from twenty school districts were represented at the meeting called by County Superintendent W. N. Saathoff on Saturday, January 26, at the Court House.

At 10:00 A. M. the Board of Directors of the Interscholastic League met and arranged for the time and schedule of the County Meet, which will be held in Hondo, Texas, March 28-29.

An important feature of the evening session was the discussion of the educational survey of Texas, which is now in progress. The teachers were unanimous in asking the survey staff to make the survey of the schools of Medina County. Supt. Saathoff gave the teachers an outline of the survey and what might be expected of each school.

The printing of a county school directory appealed to the teachers. Every teacher is requested to write a full and complete history of the district and school where he teaches, setting forth the advantages offered, such as community spirit, agricultural opportunities and pursuits, highway and railway advantages, the school equipment, boards of trustees, teachers and other particulars. Especial mention was made of the county agent and his work in the schools. Supt. Saathoff urged all the teachers to give the agent full and vigorous co-operation in his efforts to raise the standard of the rural communities through the boys' and girls' clubs and other organizations.

Since the executive committee of the Texas State Teachers Association has designated San Antonio as the meeting place for the 1924 Texas State Teachers Association, the teachers were requested to join the organization by paying their membership fee of \$2.00 at once.

Prof. Smith read the minutes of the meeting of the members of the Board of Directors of the Interscholastic League to the teachers and urged them to become active participant members of the League.

WOMAN'S MISSIONARY UNION.

The ladies of the W. M. U. of the Baptist church held their regular Missionary meeting on Thursday afternoon, Jan. 24, at the home of Mrs. W. C. Brown.

After an interesting lesson on Mexico, led by Mrs. Jack Fusselman, refreshments consisting of angel-food cake and chocolate were served and a social hour was spent.

REPORT OF SECRETARY OF  
CHAMBER OF COMMERCE.

To the President, Board of Directors and members of the Hondo Chamber of Commerce:

I wish to make the following report of the activities of your Chamber of Commerce for the year 1923, and recommendations for 1924. This report is made without reference to the regular routine and detail work.

The accomplishments of our Chamber of Commerce, when compared with some of the larger Chambers of Commerce, may seem small, but in comparison of our financial standing, I do not believe there is a Chamber of Commerce in the State that has done as much.

If those citizens, that are so ready to criticize our organization for not doing bigger things, would lend their efforts and financial aid to the organization, they would soon see a more active Chamber of Commerce.

The maintenance of our rest room has not only furnished a place of rest for our rural people, but travelers have been delighted to find such a convenient place to stop and were very much surprised at the display of farm products grown in Medina County. The rest room has furnished a place of recreation for our young people and the churches have found it an ideal location for dinners and bazaars.

We advertised in the South Western Magazine for three months and in the special edition of the South Western Magazine. We spent about fifty dollars in advertising our oil wells. This was a very good start, but can we not figure out some way of financing our organization so that we can do real advertising.

The Chamber of Commerce was very active in our last year's fair. A membership campaign was inaugurated in January, which was very successful.

I wish to express the thanks and appreciation of the Chamber of Commerce to the Parent-Teacher Association, the American Legion, Farm Bureau and the Commissioners' Court, each of which organizations have throughout the year co-operated with us and have given us their aid and assistance.

Very respectfully submitted,  
C. M. MERRITT,  
Secretary Chamber of Commerce.  
Hondo, Texas, Jan. 14, 1924.

BASKET BALL

CASTROVILLE VS. YANCEY.  
Last Saturday afternoon, Castroville and Yancey met upon the Hondo court in their contest for Interscholastic League honors.

The experienced Yancey team easily took the game by a steady scoring of points, the final score being 44-1. There could be no doubt in the minds of the spectators as to the outcome of the game as Yancey was by far superior. The Castroville boys must be given credit for their spirit shown and they should not be discouraged as with experience and timely practice they may develop a very creditable team in this healthful sport.

DEVINE VS. HONDO.

Devine defeated Hondo in the game of basket ball played Saturday on the Hondo court, by the large score of 46-15.

The game started with lots of "pep" from both teams. Hondo scored the first three points but Devine soon played them "off their feet". The Devine team showed excellent team work and regardless of the guarding of the Hondo team, they scored goal after goal.

A very enjoyable affair of the week was a "42" party given by the members of the American Legion Club in their Clubroom on Tuesday night. A large crowd of enthusiastic players gathered and a number of interesting games of "42" followed. At the conclusion of games, Mrs. Paul Weynand was awarded a box of candy for high score. Refreshments of cake, sandwiches and chocolate were served and cigars and cigarettes were passed to the men. Dr. Taylor and Mr. Clyde Holloway deserve much credit for the success of the party. This was the first of a series of monthly functions which the Legion has planned for the ensuing year.

### OBITUARY.

The subject of this sketch, Mrs. C. N. Brown, was born in Floyd county, Va., June 22, 1841. Her father was Jacob Douthat, a local preacher of the Methodist Episcopal Church, South. Sister Brown was happily converted and joined the Methodist Church very early in life. She said she did not remember when she received her first religious impressions. She was a splendid Christian character. Having been reared in an atmosphere of refined Christian culture she made her home to radiate the same graces.

In 1860, she became the wife of J. J. Nye, who in the first days of the civil war volunteered for service in the Southern army. He was killed in the battle of Manassas. Two children—a son and a daughter—were born to this union.

In 1866, she became the wife of Samuel Brown of Va. In October of the same year they came to Texas and located near the town of Seguin where they lived for many years. Sister Brown is survived by three sons, W. L. Brown of Hardin, Texas; J. D. Brown of Seguin, Texas; and S. A. Brown of Beaumont, Texas; and one daughter, Mrs. W. H. McClaugherty of Hondo. Two daughters, Mesdames J. H. Busbee and J. A. Ellis, both formerly of Beaumont, and one son, C. H. Brown of Houston preceded the mother in death.

Thirty three grand-children, and twenty one great-grand-children also survive her.

For some years, Sister Brown had been failing, and on Thursday, January 17th, she was stricken with paralysis from which she never rallied. The following Wednesday at 7:30 P. M., the end came, and the noble spirit went home. Thus ended a long and useful life, having lived in this world eighty two years seven months and one day.

Funeral services were conducted in the Methodist church by the writer, after which, as the shades of evening were gathering, her earthly remains were tenderly laid to rest in the Hondo cemetery.

"There is no Death! What seems to be is transition;  
This life of mortal breath  
Is but the suburb of the life elysian,  
Whose portal we call death."—  
Longfellow.

Her Pastor,  
A. M. FOSTER.

## MIKE AND IKE.

IN MEMORY OF OUR BELOVED  
MRS. ANNIE BALZEN.

Dead, yes dead, do we call her,  
Annie, Oh! must this be you.  
A flower faded and vanished  
A heart that was tender and true.

Gone, yes gone! She left us,  
Annie forever did we part,  
Joy or sorrow does always come,  
Sorrow for us was very hard.

True, yes true she was to all,  
Smiles forever upon her face,  
Sorrowful we looked upon her  
E'er was given her resting place.

Lonely the house and sad the hours,  
Since our dear one has gone,  
But a brighter home than ours,  
In Heaven is now her home.

A precious one from us has gone,  
The voice we loved is still,  
A place is vacant in our home,  
Which never can be filled.

Dear Annie you have left us,  
And our loss we deeply feel,  
But 'tis God who has taken you so  
far away.

He can all our sorrows heal,  
Yes we'll miss Annie very much,  
But our loss is Heaven's gain,  
And e'er long we hope to meet her  
And forever there remain.

God bless our dearest ones and her  
home,  
God grant their feet may never stray,  
God grant some day they all may  
come

To meet their mother in her home.

## BAPTISTS REPORT \$48,172,806 IN CASH

FORWARD MOVEMENT BRINGS IN  
LARGE SUM FOR MISSIONS,  
EDUCATION AND BENEV-  
OLENCES.

ASK FOR \$27,030,000 MORE

This Sum Needed to Complete Cam-  
paign Quota by End of 1924—  
People Are Called to Prayer.

DR. L. R. SCARBOROUGH  
Who Will Lead Southern Baptists in  
Raising \$27,000,000 in 1924.

Up to December, 1923, Southern Baptists had paid in on their subscrip-  
tions to their 75 Million Campaign the  
sum of \$48,172,806.72. It is announced  
by the Campaign headquarters in  
Nashville. Four years of the five-year  
period have now expired, leaving ap-  
proximately \$27,000,000 to be raised  
by December, 1924, if the original  
Campaign objective is to be reached.  
In the hope of obtaining this amount  
of money for the further advancement  
of all the general missionary, educa-  
tional and benevolent enterprises fos-  
tered by Southern Baptists, the Cam-  
paign Conservation Commission has  
inaugurated an intensive effort that  
it is expected will reach every state  
district association and local church  
in the territory of the Southern Bapt-  
ist Convention during this year.

Dr. L. R. Scarborough, who was  
general director of the original Cam-  
paign organization, has been asked to  
return to the Nashville headquarters  
from his home at Fort Worth for this  
closing year of the forward movement  
and give his personal attention to the  
direction of the special effort that  
will be waged for collecting the full  
\$75,000,000 by the time the period for  
the program expires in December  
next. Dr. Scarborough, through the  
assistance of the various state and as-  
sociational workers, will seek to en-  
list every Baptist in the South in  
some definite share in this closing  
year of the Campaign.

**Baptists Have Big Income**  
While the goal that has been set  
for 1924 is considerably larger than  
any that has yet been attained by  
Southern Baptists in a single year,  
Dr. O. E. Bryan, budget and steward-  
ship director of the Campaign, an-  
nounces that Southern Baptists have an  
annual income of at least \$1,500,000,  
and he and the various state stew-  
ardship directors will continue their  
effort in enlisting the local churches  
in the matter of systematic and pro-  
portionate giving, with a view to de-  
veloping Southern Baptists to the  
point that they will give according  
to their means, and give regularly  
week by week. A tenth of the South-  
ern Baptist income, if given to the  
denomination, would make available  
for religious work each year the sum  
of \$150,000,000.

**Each State Has Had Share**  
Indicating the sources from which  
the money already collected on the  
Campaign has come, the following  
contributions by states are announced:  
Alabama, \$2,206,071.66; Arkansas, \$1,  
667,304.13; District of Columbia, \$233,  
827.81; Florida, \$796,783.73; Georgia,  
\$4,389,440.02; Illinois, \$564,416.95;  
Kentucky, \$5,091,181.78; Louisiana,  
\$1,195,977.19; Maryland, \$599,451.11;  
Mississippi, \$2,494,281.79; Missouri,  
\$2,020,075.46; New Mexico, \$199,325.  
22; North Carolina, \$4,089,732.46;  
Oklahoma, \$1,206,943.76; South Caro-  
lina, \$4,002,527.60; Tennessee, \$3,117,  
153.25; Texas, \$7,320,697.61; Virginia,  
\$5,184,003.76; and specials from all  
sources, \$1,693,608.04.

On the basis of distribution agreed  
upon by the various states the follow-  
ing amounts have gone to the various  
causes co-operating in the Campaign:  
State missions, \$8,671,105.17; home  
missions, \$7,225,921.01; foreign mis-  
sions, \$11,561,473.61; Christian educa-  
tion, or 119 Baptist seminaries, train-  
ing schools, colleges and academies  
\$13,488,385.87; 21 Baptist hospitals  
\$2,167,776.29; 19 Baptist orphanages  
\$3,372,096.47; and ministerial relief  
\$1,686,048.23.

After conference with the general  
missionary, educational and benevo-  
lent causes which are embraced in the  
Campaign, Dr. Scarborough announces  
that raising of \$27,000,000 in 1924 will  
not only enable all Southern Baptist  
enterprises to meet all their obliga-  
tions but to make large advances at  
home and abroad as well.

**Not Harming Him.**  
"What's the cause of this traffic con-  
gestion?" asked the dignified person.  
"A live model is demonstrating silk  
hose in a shop window," said a flus-  
tered little man on the edge of the  
crowd.  
"Shocking!"  
"Maybe so, stranger. Maybe, but  
I've been struggling for half an hour  
to get a close-up view and so far as  
I'm concerned it might as well be a  
demonstration of safety razors."—  
Birmingham Age-Herald.

**Headlines.**  
Sir Philip Gibbs, the art connois-  
seur, recently told a group of Chicago-  
ans about the editor of a small paper  
who had the village carpenter make  
type large enough to tell of a village  
scandal. "Great show we made yes-  
terday," he told the publisher of the  
paper after it was all over. "Yes,"  
said the publisher quietly, "but I al-  
ways thought we'd save something like  
that for the second coming of the  
Lord."

**Her Diplomacy.**  
"Why is it a young and pretty  
widow always seems to have a better  
chance with a man than a girl who is  
just as young and just as pretty has?"  
"One reason, I think, is that a  
young and pretty widow has learned  
how to keep from changing the sub-  
ject or letting it be changed when  
the man has started on it."

**Not Active.**  
"Is she married?" asked the in-  
quisitive man.  
"Oh, yes," replied the native.  
"What sort of man is her hus-  
band?"  
"Well, he took up golf some years  
ago and now I think he is merely a  
tradition."

**Modernized.**  
First Writer—I want a newer ex-  
pression for "between the devil and  
the deep sea."  
Second Ditto—Oh, just say: "Be-  
tween an empty furnace and an unpaid  
coal bill."—Boston Transcript.

## Forecasting A Tremendous Spring Demand

739,626

more Ford cars and trucks were pro-  
duced last year than the previous  
year, an increase of over 50 per cent.

In spite of this tremendous increase in production, it was  
impossible to meet delivery requirements during the spring  
and summer months when orders for 350,000 Ford Cars  
and Trucks could not be filled.

This year winter buying for immediate delivery has been  
more active than ever before—and in addition 200,000  
orders have already been booked through the Ford Weekly  
Purchase Plan for spring delivery.

These facts clearly indicate that the demand during this  
spring and summer will be far greater than ever, and that  
orders should be placed immediately with Ford Dealers as  
a means of protection against delay in securing your Ford  
Car or Truck or Fordson Tractor.

## Boost, Don't Knock. Co-operation is the Thing.

NO MATTER WHAT MAY BE  
YOUR RELIGION, YOUR POLI-  
TICS OR VOCATION YOU WILL  
AGREE WITH US THAT THERE  
IS REALLY NO PRICE WHICH  
CAN BE PLACED UPON THE  
VALUE OF TRUE FRIENDSHIP.

You have known men who, on  
account of some peculiarity or per-  
sonality, some unattractive twist in  
their make-up, have but very few  
friends. Did you ever see such a  
man who was really happy? NOT  
AT ALL. More likely you will see  
a man who is morose, taciturn, and  
who acts as though he had a grudge  
against himself; AND IN FACT HE  
REALLY HAS.

It is the man who tries to live  
THE GOLDEN RULE WAY, the man  
who believes in THE LIVE AND  
LET LIVE POLICY, who has friends  
all about him, scores and hundreds  
of them. This kind of a man will  
pull with you and for you in every  
good work. He is not constantly  
trying to throw cold water on the  
efforts of others. He is an optimist  
and a booster and a valuable citizen  
to any town.

Perhaps you have noticed that  
story without words entitled "PULL  
TOGETHER". It would be a fine  
picture to run on this page. "Two  
mules are grazing along, tied to op-  
posite ends of a twelve foot rope.  
They come to two juicy hay doodles  
located about twenty feet apart. One  
wants to eat at one pile and the  
other on the other one. The rope

is entirely too short to permit this  
so they set in to pulling, one against  
the other, until both are worn to a  
frazzle and nothing accomplished.  
THEN THEY DECIDE TO GET  
TOGETHER and as a result they  
stop bucking against each other, both  
walk over to the same doodle and  
all is well".

Lots of folks, with more than mule  
sense, are doing this same thing every  
day and some of them may be found  
right here around us. And just let  
enough of a population follow these  
tactics and the result spells DIS-  
ASTER. ITS THE "PULL TO-  
GETHER" SPIRIT THAT WINS.

One gentleman, whose ad is on  
this page said to the writer: "I make  
it a point to buy all I can in Hondo  
but I know some here who buy nearly  
everything in other places, so  
what good is it for me to adhere to  
the BUY AT HOME PLAN if others  
do not?" He might as well have  
asked: "WHAT GOOD IS IT FOR  
ME TO LIVE A CLEAN, HONEST,  
LAW-ABIDING EXISTENCE WHEN  
SOME OTHERS HERE DO NOT?"

Of course you will find people  
here who are not loyal to their Home  
Town. Without giving it a thought  
they spend many dollars in other  
places. THESE ARE THE FOLKS  
WE WANT TO REACH THROUGH  
THESE EDITORIALS.

We are asking them this:

ISN'T IT WORTH SOMETHING  
TO YOU to spend your money with

Hondo Merchants and Institutions  
whose owners are Hondo citizens  
like yourself? Isn't it more satisfy-  
ing to feel that when you hand over  
your cash for merchandise or service  
you are handing it to a friend, some-  
one who has your welfare and in-  
terest at heart? Contrast this, if  
you will, with sending or spending  
your money in some other commu-  
nity, and you will instantly picture  
a cold-blooded business transaction  
with strangers WHO CARE NOT  
NOR CONCERN THEMSELVES  
ABOUT YOU OR YOUR WELFARE  
IN THE SLIGHTEST DEGREE.  
The dollar you have to spend is the  
only reason the glad hand is extend-  
ed to you.

WE WANT YOU FOLKS TO  
THINK ABOUT THIS the very next  
time you are tempted to trade else-  
where. Every business man of every  
line represented in Hondo is at your  
service and, in most instances is ready  
to do business with you as friend  
to friend and on a Golden Rule  
basis.

THINK HARD ON THESE  
THINGS. THINK WHAT IT  
WOULD MEAN IF WE ALL MADE  
AN HONEST RESOLUTION TO  
FOLLOW THIS TRADE AT HOME  
PLAN. A GOOD RESOLUTION  
NEVER HURT ANYONE. LET'S  
ALL PULL TOGETHER. DO YOUR  
BIT.

CO-OPERATION IS A GREAT  
THING.
